Commissioner of Patents and Trademarks

Applicant's cancelation of claims 1-27 and submission of claims 28-54 is considered non-responsive because the new claims consist of different species similar to original claims 1-27. For example, claims 35-40 comprise different species as stated in the original restriction. Note also that new claims 29-34 depend on canceled claim 1. Obviously the intention was apparently to make them depend on claim 28. Nevertheless they would also comprise different species. Likewise claims 42-54 also comprise distinct species. Applicant must elect one distinct species under 35USC121. Claims 28 and 41 are generic. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
